Meeting Goal: Gain support from the FRL Advisory Committee for the Institute for Working Forest Landscapes as a focus for College of Forestry research and outreach.

Meeting Agenda:

1. Coffee and light fare (9:00)
2. Frame the Day’s Conversation (9:30 to 10:00). Introductions and opening remarks from the Dean. Thomas will provide some highlights of the College since our last meeting and describe his goals for the meeting.
3. A Perspective on Landscapes and People (10:00 to 10:20). Dr. Tom Spies from the PNW Station will set the stage for our discussion about the IWFL proposal by sharing his perspectives as a forest ecologist who has been actively involved in landscape level studies.
4. Break (10:20 to 10:30)
5. Overview and Discussion of Proposed Institute for Working Forest Landscapes
   -- Overview of Process that Resulted in this Draft – Steve Tesch (10:30 to 10:45)
   -- How this Moves the College Forward – Goals and Perspective of Dean Maness (10:45 to 11:00)
   -- Open Q&A Discussion – Dean Maness and Steve Tesch (11:00 to 11:50)
6. Next Steps – Steve Tesch (11:50 to noon)
7. FRLAC Discussion and Action on Institute Proposal (12:00 noon to 12:20)
8. Final Remarks from Dean Maness and Committee Members (12:20 to 12:30)
9. Adjourn (12:30) Box lunches available. You are welcome to stay, eat, and visit, or “grab and go” for those who would like to get on the road.
