The tourism and outdoor recreation industries are growing. TRAL graduates are leaders, educators, and entrepreneurs in our most important natural spaces. Students in this option love to learn, study, and work outside. Rivers, mountains, and trails will be your classroom as you learn how to educate others about the outdoors and guide them through life-changing outdoor experiences. After graduating, students will be prepared to work as guides or interpreters or start their own outdoor-focused businesses.

Your Bachelor’s Degree (BS) in TRAL

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 credits earned at a community college may be applied toward a bachelor’s degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- TRAL students must complete an approved internship.
