Tourism, Recreation & Adventure Leadership (TRAL) Major with Adventure Leadership Education Option

The tourism and outdoor recreation industries are growing. TRAL graduates are leaders, educators, and entrepreneurs in our most important natural spaces. Students in this option love to learn, study, and work outside. Rivers, mountains, and trails will be your classroom as you learn how to educate others about the outdoors and guide them through life-changing outdoor experiences. After graduating, students will be prepared to work as guides or interpreters or start their own outdoor-focused businesses.
